

Self Storage Program

What Can River Oak Risk Do For Your Company?

We specialize in setting up and managing customized self-insurance solutions for privately held, successful businesses. Our clients generate more profits in their businesses by working with us. We are the leading captive insurance management company for privately owned Storage unit facilities with innovative and highly profitable options.

River Oak Risk offers customized programs for Storage Unit Owners and Managers. Our programs utilize a captive insurance company and provide the following benefits:

1. Financial Gain: Earn over \$80 per unit per year
2. Enhanced Participation: We help drive participation through opt-in procedures
3. Personal Service: Dedicated customer service agents for each of our clients

Examples of Potential Profits
